Wilson Is A NYSPHSAA School of Excellence!

Wilson CSD was one of less than 50 athletic programs across New York State to receive the honor.

Congratulations to all of the athletes, coaches, and teachers who made this possible.

A special thanks to Ed Goodnight for many the great pictures!

Lakemen Football Led by Record-Setters

The 2017 Wilson Lakemen Football team made it one step closer to the stadium this year by putting together a 5-4 winning record for the season. Statistically, according to maxpreps, Quarterback Steven Frerichs led all passers in the state Class C with a single season school record 1,664 yards. Steven also set school records with 21 touchdowns and 126 completions. Having another record setting year, Marcel Wilson beat his own record by receiving 10 touchdown passes. Helping the Lakemen with their record setting year were catches by Brayden Dunlap, Tristan Guthrie, Jared Carney, Tanner Feeley, Wade Rick, John Bender, Drew Westmorland, and Trevor Zahno. Although the Lakemen threw the ball well, they ran the ball better than they have in many years. The offensive line consisting of Cody Greenlief, Joe St. Onge, Andrew Francioli, Frank Diszenza, and Matt Lange opened huge holes for the running game.

Varsity Girls Soccer Has Great Season

The team was comprised of youth and experience. There were 9 seniors, 3 juniors, 2 sophomores, and 3 freshmen on the squad. The girls bonded and were a "team" almost immediately due in large part to great senior leadership. The team finished 8-4 in league play and 11-7-1 overall losing to Akron in the Class B2 final. Three girls were voted to 1st team All-League; Emily Kelly, Madelyn Austin, and Skylar Munnikhuysen. Isabella Schultz was named to 2nd team while Melanie Gray, Chaylee Wilson, and Julia Seider were Honorable Mention. Em Kelly was again 1st Team All-WNY and will sign with the Univ. of Buffalo on a full scholarship. Congrats to Emily and to all of our girls on another great season!

Cross Country Teams Have Great Finishes

The 2017 cross-country season was a memorable one for both the boys and girls team. Both teams showed tremendous improvement and worked hard all season.

The boys' team finished the season 8-4 and were the 10th ranked team in the final WNY Small School Coaches Poll. Junior William Schwarzmuller who was a first team all-league selection again this season led the team. Nathaniel Johnson and Quinn Rees had strong races at the all-league race and were named honorable mention all-league. Cal Seeley and Jon Montgomery were consistently top 5 runners. Sophomores Jon Moote and Alex Martinez along with freshmen Al Schultz showed great improvement from last season and were major factors in the team's strong season. With 8 runners returning next season, the team has an opportunity for an even stronger season next fall.

The girls team capped off their season with a 2nd place finish at the sectional meet on Nov. 3rd at Bemus Point Golf Club. By placing 2nd in the C2 race, the girls were rewarded with a Class C2 Sectional Runner Up plaque. This year's team had three strong runners up front. Shea Munnikhuysen, Julie Reagan, and Jennifer Reagan all took turns as the team's top finisher. Freshman Kylee Healy had an excellent first year and made major contributions to the team's success. Senior Joanna Elledge capped off her career with a new PR at the sectional race to help the team with their 2nd place finish.

Boys Varsity Soccer Plays Tough

The Wilson Boys Varsity Soccer team concluded another successful season in 2017. Led by Captains Cesar Carlin, Matthew Couturier, and Mason Secor, the boys posted an overall record of 8-6-3, which was good enough to finish in 2nd place in the Niagara Orleans League. Through several injuries, the team was able to finish strong and knock off some of WNY's best teams to earn a 3rd seed going into Sectionals. On the scoring front, Senior Cesar Carlin led the team with 7 goals and junior Alex Chiappone had 7 assists for the season. Defensively, the Lakemen were anchored by returning starter senior Matthew Couturier along with Ralph Grizanti, Trevor Sarratori, and Jacob Miller, in front of goalie Mason Secor who amassed 5 shutouts on the season.

JV Boys Soccer Wins Some, Learns Some

JV Boys Soccer had a solid season with many great victories and character shaping games. Some of our toughest games included Albion, Medina and surprising Roy-Hart who brought it to us hard on their home pitch. We ended the season with a 5-2-1 record, slotting away 29 goals and 24 assists. Drew Kepner and Jake Barnes were our leading goal scorers. A great big thank you goes out to Joan Easton and Kevin Skavinsky for your leadership as assistant coaches this year.

Varsity Field Hockey Shines

Varsity Field Hockey finished the season tied for 4th in the league. We had a league record of 5 wins and 7 losses. Our overall record was 6-9 and we also placed 2nd this year in the Barb Field Tournament in Kenmore. Many players received individual recognition for the Lakewomen, including: Hannah Day and Emilee Muoio nominated as Honorable Mention All-League, Olivia Mitchell selected as 2nd team All-League and Honorable Mention All-WNY, and Maddie Mocarski selected 1st team All-League and Honorable Mention All-WNY.

Placing amongst the top of league players was Hannah Day, who earned 6th in the League for scoring with 7 goals and 1 assist, while Lizzie Soles and Maddie Mocarski earned 9th with 4 goals and 1 assist. Goalkeepers, MJ O'Connor and Sam Perry placed 6th and 7th out of 12 goalies based on their average of goals allowed per game. MJ had 48 saves allowing 12 goals; Sam had 29 saves allowing 12 goals. The girls also shared 4 shutouts this season. The team had another successful Play 4 The Cure game in October and were able to donate \$495 to Cancer Research.

Future is Bright for Varsity Volleyball

The Wilson Varsity Volleyball Team had an outstanding year finishing 3rd in the Niagara Orleans League with a 6-4 league record and 8-7 overall. Captains Raechel Blasius led the team in kills (59), Jenny Myers in aces (34), and Brooke Wisor in digs (143). Isabel Dinse improved tremendously this season ending with an incredible 69 blocks at the net. Madelyn Seeley led the team in assists (92) and was one of our top players all around with 29 aces, 36 kills, and 97 digs. Sarah Nugent (21 kills and 35 blocks) and Meg Musall (31 kills and 15 blocks) both contributed greatly at the net and Julia Johnston and Anna Frerichs both stepped in to put up a significant defense earning 84 and 79 digs respectfully. We had three players make the All-League Teams with Raechel Blasius making 1st Team, Isabel Dinse making 2nd Team, and Jenny Myers Honorable Mention. We return many experienced players for next year and have great potential for our future seasons!

Cheer Team Raises Awareness

The 2017 Varsity Football Cheerleading team consisted of 11 cheerleaders. Seniors and Captains-Hailey Roberts and Sadie White, Senior- Lillian Lacey, Juniors- Julia Ligammari and Savanah Matthews Sophomores- Rosie Brillhart and Sara Seider, Freshmen- Kaelynn Gibbs, Kendall Jacobs and Abigail Neumann, and 8thgrader- Kirsten Day. The team put in hard work and dedication to learn tons of sideline cheers and routines for the games all while creating and learning a routine to perform at homecoming. The girls went above and beyond to make sure the school was well decorated in Orange & Black to show our school spirit for homecoming. The cheerleading team also showed their support for Domestic Violence Awareness Month by making colored shirts and bows to wear at the game and collected almost \$400 to donate to the YWCA Domestic Violence Safe House in Lockport. With unprecedented scoring from the football team, the girls were up to the challenge of hundreds of game day push-ups! The team worked extremely well together throughout the entire season and continued to surprise me with their knowledge and passion for the sport.

Varsity Girls & Boys Golf Have Great Seasons

In the first season of Girls Golf in Wilson, two athletes competed and had successful seasons. Lillie Sanborn finished 3rd and Emma Nugent finished 4th in the league and both qualified for sectionals. Emma finished 2nd in the All-League match. Lillie holds the lowest score at Willowbrook with a 49 and on an away course with a 45 at Oak Run. Both girls will be back next year for another exciting season.

The Boys Golf team had a successful season by finishing 3rd in the league with a 7-3-2 record. Nate Fox broke the school record with a 34 at Willowbrook and finished 3rd overall in the League. Patrick Seeley finished 7th overall and both players qualified for sectionals in the spring. The top six golfers rotated between Nate Fox, Patrick Seeley, Nick Seider, Nathan Meyers, Josh Seider, Jared Barry and Sam Georgal. Michael Bubar and Preston Boyce completed the roster. A special thanks to all the fans that came out to our matches! Wilson fans really showed their support and we appreciated it. We are looking forward to what next fall brings!

JV Football Prepares for Varsity

The JV Lakemen football team started fast this year, jumping out to a 3-0 record. Our veteran group led the team all season playing a very difficult schedule. The boys finished the season 4-4. The teams' impressive rushing attack led by multiple players helped our timely passing attack. The boys put together consistent defensive performances as well. All facets of the game played smart and strong leading the team to compete each week. Good luck to those that will be going to Varsity next season. The JV team looks forward to our young core next year!

JV Volleyball Goes Undefeated in League Play

The Wilson JV Volleyball team had a fantastic season finishing 10-0 in the N-O League and 11-2 overall. The girls were eager to step onto the court during the off season and learn new skills, which paid off during the season. Great leadership and skill were demonstrated by the three captains Emma Gast, Trisha Manchester and Emaleigh Herlan. The team consists of nine Sophomores, Sydney Barry, Marissa Eames, Caitlin Frey, Emma Gast, Emaleigh Herlan, Trisha Manchester, Savannah Porter, Shayna Rutty and Emily Wolfe, whom were the dominant forces for the team. Four Freshmen on the roster, Taylor Mielke, Tori Pawlak, Faith Pytlik and Stephanie Woolson, all showed great skill. The lone 8th grader, Samantha Herlan, showed great potential and advanced skills. Rebuilding will be the focus of next year as the nine sophomores attempt to move up to varsity. Great job ladies and congratulations on the undefeated season!

Modified Runners Have A Blast

The modified cross country team is made up of 11 runners. 8th graders are Dalton Gromoll, Amel Jowdy, Spenser Merchant, Emmitt Nugent, Jack Schultz, Aaron Wiepert, and Ashlyn Foxvog. 7th graders are Logan Duerr, Keegan Foxvog, John Ernest, and Cassidy Wagner. The team has participated in 4 league meets, 2 invitationals, and finished the season at the Niagara-Orleans All-League meet at Lakeside State Park. The runners have all improved from the beginning of the season and have proved that coming to practice, working as a team, and pushing themselves hard will have successful results.

JV Field Hockey Enjoys Success

JV Field Hockey is led by Captains; Alycia Thompson, Anna Meyers and Olivia Mocariski. We had several returning players; Gianna Marchetti, Rachel Elledge, Ivy Montgomery, Sierra Shepherd, Jenna Szalay and Katey Vandermast. New to the program are Meagan Froelich, Julia Faery, Linsey Myers and Victoria Soles. The veterans stepped up and took a new player under their wing. Together we accomplished our goals and had a successful season this year. Each athlete grew as a player and teammate. Thank you for a great season! Good luck to the girls moving up to Varsity next year!

JV Girls Soccer Rebuilds

After an extremely successful 2016 season, the Girls JV Soccer team lost 6 starters to Varsity leaving only 3 high schoolers on the roster. Though the team, led by Morgan McInnis, Abby Couturier, and Chelsea Wheeler started off slow, they worked hard all season to improve skills and scoring abilities. The girls focused much more on the fundamentals of soccer this season, and by the end, could definitely hold their own against even the toughest of competitors. It was an accomplishment in itself to see some of the new girls, many of whom had never played soccer before, become more confident in their skills and starting positions, to end the season with a league record of 4-6. Season highlights include traveling to far away games and stopping at the team's favorite MCD for dinner, as well as counting how many times a referee thought coach was actually a player. The team will be losing an upward of 8 girls next season, and looks forward to continuing to rebuild into a strong offensive force again.

Modified Volleyball Looks Strong

The modified volleyball team won 25 games and lost only 10 this fall. 16 students participated and learned how to serve the ball, pass the ball to one another, and even spike the ball several times. The team was fortunate to have five returning players from last year. Abby Hurtgam, Emma Hurtgam, Paige Rodger, Alysia Pervaiz, and Jessica Sexton all provided the leadership necessary to help the younger players do their best. In turn, some of the younger players stepped up and proved to be some of the team's biggest contributors. The team could always count on Isabella Finch and Hanna Roberts to make a play. The team looks forward to all of the returning 7th graders to become the leaders of next year's team. The season will be remember by all the wins throughout the season, the friendships made with each other, dressing up on game days, new uniforms, painted faces, fancy hair ribbons (thanks to Katrina's mom), a night at McDonalds, and the season-end pizza party.
