

# ATTENTION COLLEGE BOUND STUDENTS, CLASS OF 2024 & 2025

## 2023-2024 SAT/ACT Exam Dates

An ACT or an SAT Reasoning Test is required for most college applications. As you know, WCS recommends that you take **both an ACT and a SAT Reasoning Test** at least once, and that you repeat the exam you scored higher on. This means you should plan for three separate tests dates, four if you need to take SAT Subject Tests. Students normally begin taking the exams in spring of their Junior year. Please note the following dates carefully and **PLAN NOW** for the dates to take the exams. **Remember that you register on-line yourself; do not wait until the last few days to register on-line as you will experience very long delays due to heavy volume. TEST AS EARLY AS POSSIBLE – WATCH DEADLINES CAREFULLY!**

**YOU MUST INCLUDE THE WCS CODE 335990 ON YOUR REGISTRATION FORMS.** This allows us to obtain your scores to place on your transcript, otherwise you must arrange for your scores to be sent to your colleges, etc. yourself. Please note that some colleges and the **NCAA (9999)** require the scores to be sent directly from the testing agency, check your college's requirements closely.

Please note all fees for both SAT and ACT may increase.
