

Wilson Central School Alumni Association Scholarship

The Wilson Central Alumni Association is pleased to sponsor scholarships to support seniors graduating from our beloved Alma Mater. The mission of the Association is to support our school community and instill a lifelong relationship with WCS. As members of the Association, we know the importance of remembering our roots and paying it forward to the next generation of alumni.

We will be awarding two (2) scholarships for \$500 each to seniors graduating in the Class of 2023. One \$500 scholarship will be awarded to a graduating senior that will be furthering their education at a 2- or 4-year institution of higher education. The second \$500 scholarship will be awarded to a student who is entering a recognized union apprenticeship or continuing education program in a vocational field.

Completed applications must be returned to the Guidance Office in the Middle/High School no later than Friday, April 28th, 2023.

Any application that does not meet all the requirements will not be considered. Your essay will be evaluated by a panel of alumni to determine the scholarship winners. The essay is a required part of the application. The scholarships will be presented at Class Night in June.
