Google Meet Hangout

Video Conferencing

What is Google Meet Hangout?

A video conferencing app free to use for up to 100 people at a time (250 during forced school closure). It offers the ability to present your screen, schedule meetings out with Google Calendar, and even to record meetings (during the forced school closure).

What you need:

- An internet connection (wifi, cell service, hotspot)
- Device (computer, phone, tablet)
- Microphone (Headphones with microphone recommended)
- Camera (if you want video).
- The [Chrome Browser](#) OR
- Google Meet App installed
 - [Android Link](#)
 - [IOS App Link](#)

Getting Started Videos:
