

Wilson will be hosting a "**Destination Success**" event on April 24th from 6-7:30. The purpose of the event will be to equip our students and parents with the information they need to plan their path to whatever success means for them.

We would like to include speakers, a variety of career representatives, employers, educational pathways (colleges, tech schools and training programs), clubs and organizations.

If you would be willing to contribute to our program, please complete the interest form linked below before March 12th.
