

Hello again,

The Association hopes to hold a raffle next month to support our Membership Drive. We are looking for higher value items (iPads, televisions, BBQ grills) to include. We are also seeking handmade, one-of-a-kind items that have a WCS theme (knit blankets, jewelry, yard stakes, etc.). If you're an alumni with a special talent or a business owner and you're interested in donating something to the raffle, please contact president Ed Kent at obx227@yahoo.com, or direct message him through the Association's [Facebook page](#).

Thanks in advance for your consideration.

Go Lakemen!
