

May 1, 2023

Good morning,

The Alumni Association is actively seeking a local volunteer to serve as its **Membership Chair**. The position would require about one hour a month throughout the year, and a bit more than that during Membership Drives. Requirements for candidates include:

- Use of the Google Suite of products, specifically Google Mail, Slides and Sheets
- Ability to create and maintain a spreadsheet in Microsoft Excel
- Simple accounting and banking skills (membership dues)
- Excellent organization skills

Please reply to this email if you live in the Wilson area, have spare time and would like to volunteer for a great organization. We are excited to announce our first two scholarship winners this June!

Go Lakemen!

Maureen Mahar

Class of 1987
