

# WILSON MIDDLE SCHOOL

*Wilson, New York*

*Winter 2021-22*

Dear Wilson Middle School Students, Parents and Staff,

More than half of the school year is completed. That being said, students still have 60% of their grade left to earn (3rd quarter, 4th quarter and final exams). It is imperative that students come to school every day, do quality work, turn their work in on time and be respectful.

Before we know it, the snow will be gone and students will be involved in additional activities that may not allow as much time and effort for school work. It is important that students strive to do their best consistently throughout the school year. This will avoid 'surprises' in June. If you would like to schedule a meeting with your child's grade level team, please contact Mrs. Carmer (751-9341 ext. 124) to arrange a meeting.

Mid-Winter break begins at the end of the day on Friday, 2/18. School will resume on Monday, 2/28.

If you have questions or concerns, please contact me at 751-9341 ext. 123. I'd be happy to speak with you.

We hope you enjoy the Winter edition of the Wilson Middle School newsletter.

Be Better Today Than Yesterday.

Take care,

Scott Benton, Principal  
Wilson Middle School

## MIDDLE SCHOOL STUDENT COUNCIL FUNDRAISER

*Mr. and Mrs. Harvey*

The Middle School Student Council would like to thank all the students who recently participated in our New Day Coffee fundraiser prior to Christmas vacation.

**6th Graders:** *Kayla Gianquinto, Mason Coulter, Carmen Shimmel, Chacity Gray, Lucas Jowdy and Luke Howard*

**7th Graders:** *Bella Muck, Noah Johnson, Kairi Beck, Kaley Mahoney, Travis Mayes, Connor Woodward, Ben Meyers and Gwen Letts*

Thanks to these 27 dedicated students, we had a very successful fundraiser. They helped raise just over \$700 for the Middle School Student Council fund. The money raised will be used to pay for busing to Darien Lake in June, for the Honor Roll field trip (for those students who meet the qualifying criteria). Our top seller was 7th grader **Bella Muck**, who sold 26 bags of coffee. Congratulations and thank you Bella! All students who sold 3 bags or more were invited to a pizza party in mid-January, in appreciation of their efforts. A big thank you also to those who supported the sale and purchased some coffee from us. Thanks again for all your help and support.

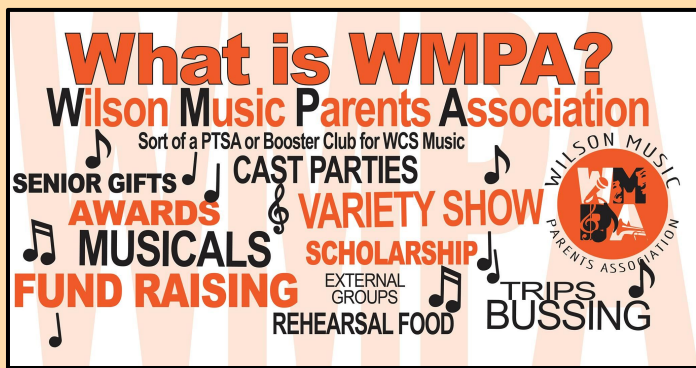

## AIS UPDATE

*Mrs. Smith & Mr. Bovanizer*

We continue to incorporate a new AIS program into the Middle School. Our seventh & eighth-grade AIS teachers **Mr. Bovanizer** and **Mrs. Smith**, found it important to design a new bulletin board each season with their students' help. This bulletin board has focused on the importance of ELA and math, showcasing all the skills that students have gained from learning new concepts over the years. The AIS students voted anonymously through a google form on the theme for the bulletin board. The board will be changed out each season. The winter bulletin board features marshmallows with ways the seventh & eighth-grade students are excited about ELA or math. We hope these bulletin boards can bring some joy and inspiration to all who walk past them. Keep an eye out for another creation in the Spring!

## MUSIC DEPARTMENT NEWS

Eighth grade students enrolled in **Mrs. Reagan's** Home and Careers class took on a very special project, to coincide with Veterans Day. Students made red, white and blue ribbons and sold them for \$1 in mid-November. They raised \$180, and gave half to WNY Heroes and half to the American Legion of Wilson. **Donna Clark** presented the money to Legion members during their Veterans Day celebration on November 11th. Mrs. Reagan is so proud of the class, for planning and executing the whole fundraiser mostly by themselves, with small bits of guidance here and there.

## CHESS CLUB *Mr. Neumann*

The sixth grade has started Chess Club once again. For the first two weeks, new players attended and learned how to play the game. Currently, we are inviting students to play on Tuesdays and Thursdays, during 12th period. We learn a new move or strategy at every club meeting, and then players have a chance to put that into practice during their games. We will be having Chess Club practice for a couple more weeks and then we will be starting our first tournament. We may include the rest of the school depending on the number that sign up. We look forward to another fun year of chess playing.

## 25 BOOK CLUB

Congratulations to sixth grader **Madison Horn**, for reading 25 books this year and becoming the first member of this year's 25 Book Club!

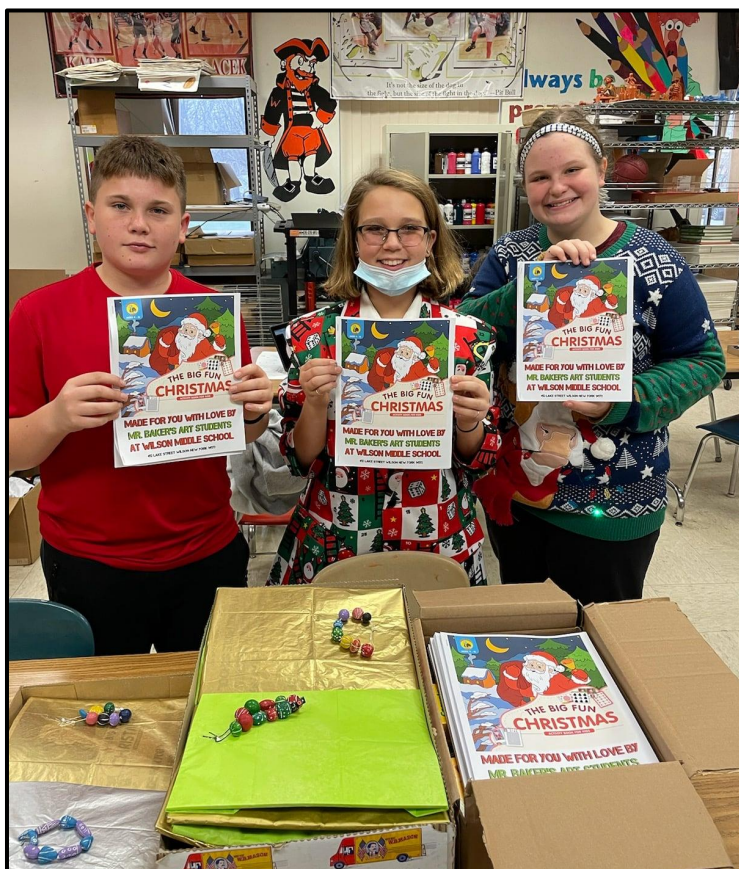

**Madison Horn - 6th**

# HOLIDAY ACTIVITY BOOKS

Students in **Mr. Brian Baker's** Art classes continued their long-standing tradition of creating Activity Packets for hospitalized children to enjoy over the holidays. Girls on the varsity basketball team wrapped them. Mr. Baker dropped off 75 packets and a few homemade bracelets, split between three hospitals: O'shei Children's Hospital, Buffalo General Medical Center and Eastern Niagara Hospital.

## CANINE DEMONSTRATION 7TH GRADE

Students learned the steps necessary to become a police officer; the special training involved in the K9 Unit; some of the steps involved in making arrests and conducting an investigation; and how dogs are taught to identify certain smells and alert their handlers. Special thanks to **K9 Officer Kam, Officer Whitehead, and K9 Deputy Walters** for visiting the school and bringing their police dogs with them.

## **MODIFIED GIRLS BASKETBALL**

*By Mrs. Faery*

The Girls Modified Basketball team had a fun and challenging season, finishing with a record of 9-3. After a year of intramurals, these girls were excited to play and work hard. Opening up with 5 games in 7 days was extremely difficult, physically and mentally. I was very proud of the team's efforts and response to the physicality of the season. The girls had to work very hard to defend and hustle, as opponents always bring their best game. We found many ways to win when tested and never backed down. This group of girls worked hard and wanted to learn and get better. They improved tremendously, providing quiet leadership and lots of fun. When needed, they were able to score a bucket, grab a rebound or make a steal by playing tenacious defense. All the members of our team, both players and manager, contributed to our success.

# PAPER

## INTRODUCING PAPER: FREE 24/7 TUTORING!

Although outside tutoring is a great resource during any school year, it's especially important during times of remote instruction, when students cannot be on campus for various reasons. The Middle and High Schools have added an online tutoring resource to help support our students during these extraordinary times, and we're excited for students to start using it.

**Paper** is a secure, online tutoring service that provides students with unlimited, 24/7 academic support. Whether they're stuck on homework, studying for a test, or need someone to read their essays, experts will be available online to assist students in over 200 subjects and more than 4 languages.

**Paper** tutors have been specially trained to conduct expert, academic support in a secure, chat-based platform. With a commitment to helping students learn, they won't give students answers, but rather interact with them in an encouraging tone to lead them forward.

This is a free service that we're providing, so students are encouraged to use it as much as they need, whenever they need. Wilson teachers may also review student activity to see what they're working on and provide more targeted instruction if needed. **(All online interaction will be governed by Wilson's Acceptable Use Policy, just as it is during the school day.)**

### Great for:

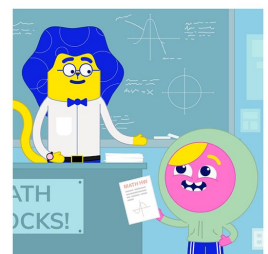

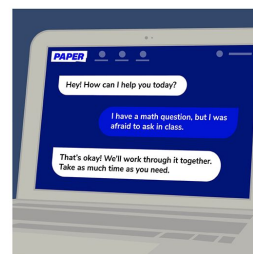

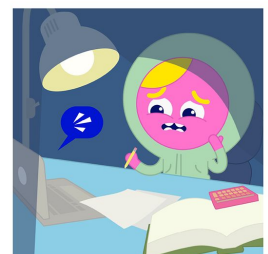

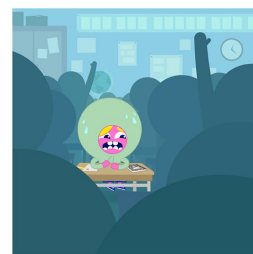

- quarantined students who need immediate help
- homework help outside of school hours
- feedback on writing assignments
- reviewing concepts before an exam
- getting 'unstuck' if students become confused while completing an assignment

Wilson students will sign in to **Paper** using their Clever account. There is a page on the LMC website ([wilsoncsd.org/librarymedia](http://wilsoncsd.org/librarymedia)) devoted to **Paper**, and a link is also included on the district's Resource page ([wilsoncsd.org/Page/943](http://wilsoncsd.org/Page/943)). **Mrs. Seeley**, our Curriculum Facilitator, hopes to provide demonstrations about the product in math classes this month. If you have any questions about Paper, please feel free to reach out to her at: [aseeley@wilsoncsd.org](mailto:aseeley@wilsoncsd.org) or 751-9341 x245.

We're very excited to offer our students unlimited, 24/7 support through the **Paper** platform and we welcome your feedback. Please check it out soon and let us know about your experience!

## MOCK ELECTION

Each year, **Mr. Sippel** offers his 7th graders a lesson about the electoral college. He holds a mock-election, to illustrate the difference between the popular vote and electoral votes. Two presidential candidates present their platforms to each class of voters, who are split up into states. This year, Mr. Sippel and **Miss Mahar** were the candidates. Each candidate presents a platform of opposing issues, followed by a question and answer session. Platform issues are geared to be school-specific, and this year's issues included: a cell phone policy; dress code; legal driving age; school lunch menu; homework; length of school day and length of school year. Candidates hold opposing views on each issue, so students use a chart to weigh the pros and cons, before casting their vote. Since there are very few times when a student agrees with 100% of a candidate's platform, s/he must make an informed decision, based on what issues s/he believes to be most important. After votes are cast, Mr. Sippel displays a chart and records both the popular vote and the electoral vote. He uses a

modified list of states (less than 50), with each classroom having states that range in the number of electoral college votes they have. Since states like New York and Florida have more Electoral College votes (29 each) than states like Vermont and Alaska (3 each), students are able to see how certain states influence the outcome of an election more than others. In the week leading up to the election, signs are put up in the hallways and each candidate filmed campaign commercials for students to view. Mr. Sippel and Miss Mahar have been teaching the lesson for a long time and this year's race was one of the closest ones yet. The popular vote was tied going into the last class period of the day! Mr. Sippel and Miss Mahar believe it is a fun, informative way for students to learn about elections and the electoral college.

## HOLIDAY CHORAL CONCERT

Students performed in front of a live audience for the first time in two years during the Christmas concert. Participants were grateful to be in front of a live audience again! Choral director, **Mrs. Andres**, helped students prepare to celebrate the holiday season with the Wilson Central School Community.

Many students participated in this event, collecting donations and raising over \$700. Prizes were awarded to the top 5 students that raised the most money.

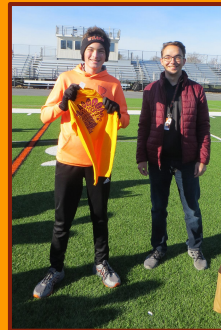

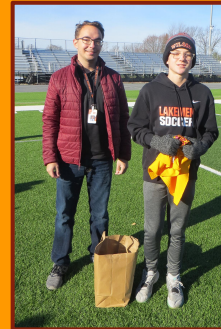

All proceeds will be used to provide special incentives for students who are achieving the goal of reading 25 books each year.

# TURKEY TROT

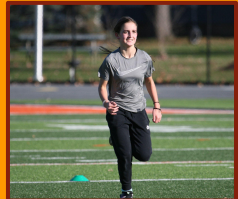

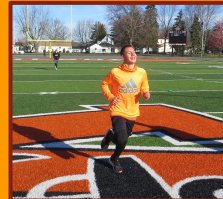

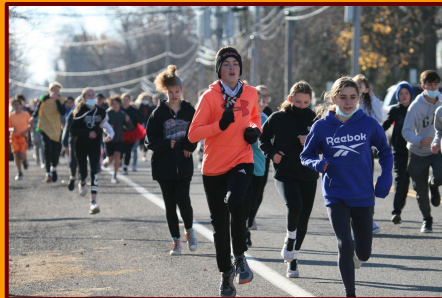

Thank you to **Mr. Friedrich** for organizing the **Middle School Turkey Trot**. ## HISTORICAL SOCIETY COOPER PRESENTATION

We are lucky to have such an active Historical Society, that brings interesting exhibits and presenters to town. Since there is a strong emphasis on Local History throughout the grade levels in the Social Studies department, students are encouraged to attend presentations on historical subjects. On November 16th, many students learned what it was like to be a 'cooper', or barrel maker. **Tim Roberts**, a farmer from Appleton, gave a hands-on presentation on how barrels have been made for centuries.

## RED RIBBON TAILGATE

Teachers surprised students on October 29th by dressing up as Buffalo Bills superfans, and hosting a tailgate party in the morning. They donned the group costume in recognition of Red Ribbon Week, and Halloween.
